

How Can You Help?

Our primary goal is to help burn survivors and their families gain insight into the long road to healing and provide hope in a seemingly desperate situation. An additional goal is to provide financial assistance to families in crisis. Most of the time Burn Centers are regional and can be quite far from one's home, so the cost of living in a hospital becomes very expensive. We also try to provide a "survival basket" where we can provide toiletries, phone cards, restaurant coupons and books of encouragement.

***Financial support:** from individual corporations, foundations and organizations allow us to fulfill our mission. **Face the Fire** families who are capable can also provide support through monthly pledges. If you would like to partner with us financially, there is a form provided.*

***Prayer** is first and foremost on our list of how you can help. As we begin this ministry, we covet your prayers that we will be faithful to the gospel of Jesus Christ, and open to the leadership God provides for us. Please pray that we will be good stewards of His money and that we will use it to His glory.*

- Visit our website for updated information about the ministry.*

Donations

One Time Donation:

\$50 \$100 \$200 \$500

Other \$ _____

Monthly Donation

\$10 \$25 \$50 \$100

Other \$ _____

I would like to support the ministry with daily prayer.

I would be interested in scheduling a speaking engagement.
